

SUPERVISORY COMMITTEE FOR THE MS DEGREE

Name: _____ **UNID:** _____ **Date:** _____

Previous Degree Received: _____ **School:** _____ **Year:** _____
 (BS, MS, etc.)

- Track:** Electrical Engineering Computer Engineering Robotics Online
Option: Coursework Project Thesis

A student’s MS faculty advisor is the committee chair. The chair* and majority of the committee (2 out of 3 committee members) need to be: tenure-line, University of Utah, ECE Faculty. If a committee member does not meet all three of these requirements, they are considered an Outside Committee Member. If the Outside Committee Member is not University of Utah faculty, the student must request and submit their Curriculum Vitae (CV) and a Justification Letter for approval by the Graduate Committee. For more information, read [Rules for Outside Member Necessities](#). Any exceptions to these criteria must be submitted as a petition and are not guaranteed approval by the Dean of the Graduate School.

**Tenure-line faculty outside of the ECE Department may supervise a student, but the student must have a tenure-line ECE faculty member serve as co-chair. A list of faculty and their classifications can be verified on the [OBIA Faculty Information page](#).*
